

## WOOD TRADE ZAHN

Tables & Benches & Standing tables  
directly from the manufacturer

Here you will find prices for our table and benches sets with and without benches and those with and without backrest which you can combine as you wish. For example, a square table 120 cm and four benches with backrests of 110 cm results in a square marquee set which on our website is called set No.101. These listings are only production examples. We also produce all intermediate sizes. We would be pleased to make you an individual offer.
